

Charminglite

Spot Free COB Flexible LED Strip

*High Quality, premium materials and exquisite craft, for long-term use, reduce re-lamp frequency

*Environmental friendly, safety certificated, no harmful material or radiation, safe to children

*528 LEDs/m brings in high luminous flux and low light degradation, more versatile for use

*SMD technology with strong 3M self-adhesive for secure and easy application

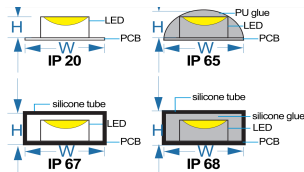

*LED deliver stable light without strobe issue, no harm to eyes

CCT: 2700K-6500K

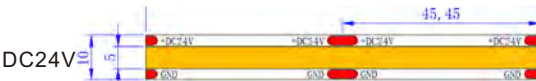

CRI: >80/90
